## Labour Inspector

NQF Level 05

209 Credits

OFO Code 118748

This qualification aims to empower participants with the essential tools and knowledge required to navigate the complexities of labour relations. By engaging with this program, learners will be equipped to address and resolve workplace disputes, enhance organizational compliance with labour laws, and foster a positive and productive work environment.

Our curriculum is structured to provide a comprehensive learning experience, combining theoretical insights with practical, real-world applications to ensure that graduates are well-prepared to meet the challenges of the modern workplace.
